

PRESCHOOL CORNER

Camp Regesh Preschool here we come! What a terrific first week we had in Camp! The campers in the Preschool Division enjoyed their first week of fun with friends new and old. We have already had the opportunity to take advantage of the amazing activities in camp and all that the sprawling campus has to offer. We have also been enjoying the newest additions to Camp Regesh for this season including the new swing set and 'school bus' at the playground.

Week One was overflowing with super fun and exciting activities, including some new specialties for summer 2024! Camp Regesh preschoolers enjoyed horseback riding, sports clinic, STEM, fun with food, dance, arts 'n crafts, cook and bake, boating, sand play at the lake, chinuch and so much more! It is so nice to see campers and counselors enjoying their time together and having fun at activities.

Swimming is an all-time preschool favorite. It is amazing to see our little swimmers getting acclimated to our 3 sparkling pools. Campers enjoy swimming and learning new skills in the water. Congrats to the campers who already passed the deep-water test!

On Thursday, all preschool campers enjoyed a spectacular show by the Basketball Extreme Team! We were amazed at the super cool moves and awesome shots!

Our favorite Friday Shabbos party is back again! Shabbos Party featured our very own Camp Regesh Preschool song! Campers and counselors had a great time singing and dancing together. Every camper received a shabbos treat and prize to wrap up our incredible week one at Camp Regesh!

Looking forward to another unbelievable week ahead with an incredible On-Site Water Park, July 4th festivities and our ever present Camp Regesh ruach. We just love it here in the Camp Regesh Preschool!

Morah Gila, program director

The excitement was tangible this week as all of our campers and staff, new and old, arrived for the summer experience they've waited for all year! What a joy it is to see the shining smiles of campers and staff as they enjoy the special "feeling" of summer found only at Camp REGESH!!! We thank the Regesh Family for helping to make this dream a reality Please take a look at our Tehillim initiative in the middle page of our newsletter. We hope and daven that this will be a special zechut for the safety of our brothers and sisters in Eretz Yisroel. May Hashem grant us all another healthy, happy, AMAZING summer and may we be zoche to the geula shelaima b'karov.

D'VAR TORAH

The spies entered The Land, and twisted their report, Tisha B'Av became time to mourn, for sorrows of this sort.

Our nation was dejected, downtrodden and sad,
After the meraglim pulled off, something so bad.
Moshe went to Hashem and asked "What can I say?"
After the nation was saddened and broken this way?"

Hashem said, "Console them. With Torah so true"
And tell them the Mitzvot of the Land they'll go to.
It will take forty years, but make it they will.
Moshe did so, and their crying went still.

Though the Golut is long and the pain so unceasing,
Our hope by the day, I must say, is increasing.
Like our nation back then, though the road may be long,
We will make it Home... to the Place we belong.

Did YOU say Tehillim?

שיר למעלות, אשא עיני אל
ההרים, מאין יבא עזרי. עזרי
מעם ד, עשה שמים וארץ. אל
יתן למוט רגלך, אל יבום
שמך. הנה לא יבום ולא יישן,
שומר ישראל. ד שמך, ד צלך
על יד ימיגך. יומם השמש לא
יפנה, וירם בלילה. ד ישמך
מכל רע, ישמר את נפשך. ד
ישמר צאתך ובואך, מעתה ועד
עולם.
