

PRESCHOOL CORNER

Camp Regesh Preschool, here we go! What a terrific first week we had in the Camp Regesh Preschool! The excitement was tangible as we greeted our campers as they coming off the bus on Tuesday! Meeting our devoted Morahs and seeing the beautiful campus was the first step to an AMAZING summer ahead!

The campers all enjoyed their first week of fun with friends new and old. We got right into the swing of things and are already enjoying so many of the amazing activities here in Regesh!

Week one was overflowing with super fun and exciting activities, including some new specialties for summer 2025! Camp Regesh preschoolers enjoyed horseback riding, sports clinic, fun with food, petting zoo, dance, arts 'n crafts, cook 'n bake, sand play at the lake, chinuch and so much more! It is so nice to see campers and counselors enjoying their time together and having fun at the exciting activities!

On Wednesday, we all joined together in the gym to dance along to the Camp Regesh Preschool song! What a rocking time we had dancing to the beat and learning the motions! Camp Regesh preschoolers are awesome dancers! On Thursday, all preschool campers enjoyed a spectacular jump rope show by the Flight Crew! We enjoyed watching their super cool moves and awesome jumping skills and tricks!

Swimming is an all-time preschool favorite. It is amazing to see our little swimmers getting acclimated to our 3 sparkling pools. Swim instruction groups are already underway, and campers are enjoying swimming and learning new skills in the water.

Our favorite Friday Shabbos party is back again! The Shabbos party was a blast with campers and counselors having a great time singing and dancing to our song. Every camper received a shabbos treat and prize to wrap up our incredible week one at Camp Regesh!

Looking forward to another unbelievable week ahead with African Adventure Day, the Pee Wee magic show, and of course, July 4th festivities! All with our ever-present Camp Regesh ruach! We just love it here in Camp Regesh Preschool!

What a joy it is to see the shining smiles of campers and staff, new and old, as they arrive to enjoy the "special feeling of summer found only at CAMP REGESH" they've waited for all year!!! We thank the Regesh Family for helping to make this dream a reality. May Hashem grant us all another healthy, happy, AMAZING summer and may we be zoche to shalom for all Am Yisrael everywhere and to see the geula shelaima b'karov.

D'VAR TORAH

Korach stood up to Moshe, brazen and bold.
He wound up "grounded" in a pit, centuries old.
What made him think it would be a success
to put the greatest of all, Moshe, to the test?

Rashi says,

Korach looked into the future and saw that he,
Would merit a grandson, known as Shmuel Hanavi.
"Wow!" exclaimed Korach, "and Shmuel has none
of the stumbles Moshe has had! I won!

Moshe grew up in Pharaoh's home,
Traveled far and had much to overcome."
A chest full of shratzim, of ugly mishaps,
Rests in Moshe Rabbeinu's past.

Yet Shmuel it seems, his past seems clean,
No pitfalls or bumps: his path seems pristine!
In Tehillim, King David likens Moshe to Shmuel,
So of course, his grandfather... would have even more fuel!

But what Korach missed is that Shmuel, his grandson,
Would have the legacy of his grandfather, Korach, to overcome!
You see, real growth doesn't happen when things are always smooth,
But rather when we have to stand up and push for the truth!
There's nothing wrong with making a mistake- in fact it's a stepping stone for us to be great!
When growing closer to Hashem,
We will fall down, but then we get back up again!

spotlight on a SPECIALTY

Swim is off to an AMAZING start this summer! The pools have been buzzing with laughter, learning and lots of swimming!! Swim instruction is in full swing; noodles, kickboards, rockets, rings and more have been making their way into the pools to help out our little fish. Beginner swimmers are getting comfortable with bubbles and floating as our advanced swimmers have been focusing on swimming strokes and skills. Free Swim excitement is off the charts! Packed pool fun, counselors joining in on the fun, and the ever-exciting slide has all campers swimming and begging for more swim! Thank you to our Head Lifeguards, Bentzi and Sruli (boys) and Tzipora and Rivki (girls and preschool) along with our superb team of lifeguards!

BOYS CAMP

Wait, is this on? Hello? Hello? Check 1-2. Ah. Hello there! Farfel Briedman here, sitting in for my brother Fenny, as we bring you the Regesh week in review! Orientation was washed out, but that couldn't dampen our excitement, or for that matter, cool off the weather!

Camp Regesh 2025 started HOT!!! As excited campers got off the buses everyone could tell this summer would be something special! Day one featured some extra swim to escape the heat, and a full lineup of Regesh activities: baseball, football, shuffleboard, dodgeball, soccer, archery, horses, and, and, and so much more! At lunch we played the classic talk for a minute (or get drenched). I think those campers lost on purpose just to get drenched!

Wednesday brought more heat, and more excitement! Wacky Wednesday cooled everyone off with some crazy water balloon target practice (spoiler alert- a lot of balloons missed their target :) and, of course, the campers enjoyed many specialties and indoor a/c activities; arts and crafts, pioneering, cook N' bake and more!

Thursday brought our first show of the summer and the beginning of leagues for the Romeim Division! What an insane show it was- The Flight Crew, who dazzled us with incredible jump roping feats that no one ever thought were possible! Flips and spins all perfectly choreographed to blow our minds!

Friday brought our first Oneg featuring great music and dancing, and the Famed Shabbos Raffle for crazy shabbos treats to be enjoyed by friends and family over Shabbat... including a brand-new addition... a cantaloupe! Stay tuned next week for leagues updates, and a week of crazy fun! The first ever Regesh African Adventure, the 3s and up trip to American Dream Nickelodeon Universe, Team USA Tournaments and a ton of surprises!

BUCKLE YOUR SEATBELTS CHEVRA! CAMP REGESH IS BACK AND BETTER THAN EVER! Signing off, Farfel Briedman.

Shabbat Shalom, **Rabbi Moshe Auslander**, program director
