

## PRESCHOOL CORNER

What a jammed packed week we had here in the Camp Regesh Preschool! Week two whizzed by in a flash with nonstop action and fun! We began some new and exciting specialties this week, MUSIC AND MOVEMENT and STEM! In Music and Movement, we had such fun with musical chairs, freeze dance, parachutes and more! In STEM, we had a messy blast with balloons, shaving cream and the hose to clean up and cool down. Thank you to Leah and Shani for giving us a great time! Walking through the pool area you will find campers enjoying the pools and gaining new skills. During swim instruction, our groups have been dunking, blowing bubbles, floating and learning new strokes!! Congratulations to our preschool campers who passed the deep water test this week! What an accomplishment!

Tuesday brought our one-of-a-kind AFRICAN SAFARI ADVENTURE! We enjoyed our safari scavenger hunt which had us searching all throughout camp for the jungle clues and a special safari animal project!!!

On Wednesday, we were privileged to have a special preschool show - the incredible PEE WEE MAGIC and ANIMAL SHOW! What a fantastic show it was! A very big shout out to all our brave volunteers! We were giggling, cheering and asking for more!

It was spectacular to see all our campers dressed up in RED, WHITE and BLUE on Thursday in honor of July 4th! Camp Regesh Preschool has definitely got the spirit! Take a look at our July 4th masterpieces we created in art this week. Ask us how we made those beautiful fireworks!?! (Dipping squishy, spikey balls into paint!) We also all enjoyed our annual July 4th relay races! Teamwork is the way to go! Thank you, Coach Shira, for running the races. After enjoying a refreshing red, white and blue ices, all our campers went home with their very own American flag. What a great way to end the day and wrap up our second week here in camp.

We can't believe we are beginning week three on Monday. Looking forward to the BMX BIKE SHOW, SPORTS DAY, and, for the very first time in Camp Regesh, CANDY CRAZE DAY! The fun just does not stop here at Camp Regesh!!!

### D'VAR TORAH

In Parashat Chukat, it is read,  
About a cow which must be red,  
One must burn it and its ashes bring,  
To be mixed with water from a spring.

After being sprinkled with this mixture,  
Into the Bait Hamikdash all can enter,  
For this law we do not find a reason  
But to remember Mitzvot must be kept in every season.

Later on, in the same Torah reading,  
We find that water was what the Jews were needing,  
They complained to Moshe, "we need water"  
Speak to, not hit, the rock he was ordered.

Though Moshe tried it Hashem's way,  
In the end, Hashem's command he did not obey,  
As a result of not obeying Hashem's command,  
Moshe was forbidden to enter the Holyland.

Perhaps to these 2 ideas there is a connection,  
As to why in the Torah they are in the same section,  
To keep in mind to always follows Hashem's laws,  
Even when we don't understand the reason or the cause.

Shabbat Shalom!

### spotlight on a SPECIALTY

Creativity is always in the air at Regesh Arts & Crafts! This week, Girls camp had a blast gluing and decorating puzzle picture frames. Boys camp has been busy painting super impressive mini lego figure paintings. Preschool campers got their hands dirty using spikey balls dipped in paint to create 4th of July fireworks, as well as decorating picture frames! Stay tuned for some more Regesh Arts 'n Craft classics as well as many new, cool surprises! Thank you, Nechama and Nechama, and all of our art assistants, DM, Meira, and Lilly, for these fantastic projects and loads of creative fun!

## GIRLS CAMP

Camp Regesh- it's week 2 and we're going full speed ahead!! Sports, specialties, cheering and singing, we took everything up a notch and it's only getting better!!

This week, the 4s reached new heights on their "climb zone" trip. They raced to the top and had a blast trying all the different levels. The trip ended with a super fun 10 question scavenger hunt in the mall that made Regesh's presence known at the Palisades Mall in our teal blue Regesh shirts!

We're from Africa! Sing it out loud!! Regesh got into the African Spirit cheering and singing! Did you see the authentic looking African jewelry that we made?? Our girls are looking awesome! Heading over to the gym, the rhythm was palpable as our super talented campers drummed and pounded to the beat at our African drum circle. African Adventure Day at Camp Regesh can handle the heat!

On Wednesday, the 2s and 3s had the time of their lives at THE CASTLE ULTIMATE ADVENTURE CENTER! Roller coaster! Rides! Indoor play! The incredible inflatapark! Rock climbing! Laser tag! Zip line! There was just so much to do! Regesh girls sure do know how to have an awesome time!

Back at camp, the 1s were spellbound by the Peewee Magic Show! The magician wowed the crowd with fiery tricks—literally lighting things on fire—before transforming a dollar bill into a credit card, and then into a chocolate bar (which got some big laughs and even bigger gasps!). He brought a few lucky campers up on stage, where a real bunny appeared out of a box, causing a chorus of "whoa!" from the audience. At one point, the air was filled with bubbles of all different shapes and sizes, floating through the crowd and adding even more wonder to the show. In a daring challenge, a boy and a girl held out their hands for a visit from a bearded dragon, and neither one flinched—they were the picture of bravery! Pure camp magic!

RED, WHITE, AND BLUE- Camp Regesh knows how to celebrate in style! Decked out in awesome costumes, accessories, some amazing tutus and even face paint, Regesh girls do it right! The day started off on target as we competed in a Statue of Liberty contest! Next up was capture the American flag- with a splash!! How many flags did your bunk capture?? Only at Camp Regesh!!!

We had such an incredible week... but it's about to get better!! Coming up next week, get ready for the BMX show! Sports Day- get your jerseys ready! Candy Craze Day! And a special trip for our 5s and Rakefet!! Can't wait to see you all next week!

Shabbat Shalom! **Chaya Aidy Liff**, program director

## BOYS CAMP

Aaaand we're back! Farfel Briedman here covering what was a wacky, crazy, wild week here at Camp Regesh! Monday! Our first full Monday! At lunch, we played 'Name That Tune' for our first Musical Monday! Our boys showed tremendous musical prowess as they nailed song after song! And, of course, when Tai's Ani Maamin came on, we launched into full kumzitz mode!

Onto Tuesday, those African Vibes pulsed through camp for African Adventure Day! From wild costumes, kufis and safari shirts, to our wild activities... to the scorching heat... it felt like Africa all right! The yuds and chufs went on a safari puzzle hunt, saving endangered African animals in the wild! Our 3s and up participated in a super vibe-ey African Drum Circle! At lunch, we had an African Dance contest, our Parsha Sheet raffle, and a special "wild animal" edition of Talkative Tuesday "Talk Off."

Wednesday was off the charts! Our Grand Nickelodeon Universe Trip was incredible! Such great rides like Sandy's Blasting Bronco, Kraang Pandemonium, the Slime Streak and more! A trip to remember! Back at home the 1s and 2s were treated to the great Peewee Magic Show! His funny antics and cool tricks had us laughing and clapping along! The staff stayed on in camp for an awesome Staff Night of Sports and a delicious BBQ! Thank you to the best staff on earth!

Thursday was our 3rd of July Celebration! We competed against each other for the title of "All American Bunk" in our Team USA Tournament! Baseball skills, basketball skills, and more were put to the test in our inflatable tournament!

And... there are no signs of slowing down! BMX Show! 1s and 2s "Surprise" SkyZone Trip! Romeim Boulders Trip! Candy Craze! Lazy Sports Day! And so much more! Happy Independence Day and Good Shabbos! Farfel, OUT!
