

## PRESCHOOL CORNER

Week Four!! Week Four!! Regesh is the best for sure!!

Wow, we cannot believe we have had four awesome weeks of camp already! Time flies when you're having fun! And Week Four was TONS of fun!

Monday we had the AMAZING BUBBLE SHOW! It was such an incredible show with excitement bubbling through the gym! Big bubbles, small bubbles, square bubbles, long bubbles were flying around the gym. Kudos to all our super volunteers!

On Tuesday and Wednesday our preschoolers were all treated to a day at WEST MAPLE FARM! Excitement was in the air as we loaded the buses and headed off for a day of action and fun! What an experience it was to see all the animals and feed them animal food from an ice cream cone! Hearing our campers giggling and laughing as the animals nibbled their food was a testimony to the fun they were having! We also all enjoyed playing on the creative playspace that is on the farm. Spending time with friends and counselors was so much fun! All in all, it was a terrific trip! Could it be Thursday already? Thursday was our fantastic PAJAMA PARTY! It was so cute to see all our campers in their pajamas in camp! We enjoyed cereal and milk for morning snack and teddy bear cookies for afternoon snack. We also enjoyed story time in honor of our pajama party!

We had such a GREAT week, we just can't wait for next week! Gear up for another action packed week. Looking forward to a great show by the one and only NED. A day of building and creativity on LEGO DAY. DR. SHNITZEL WACKY SCIENCE show. BUNK PICTURE DAY and more! ONLY AT CAMP REGESH!

A very big THANK YOU to our INCREDIBLE staff who go above and beyond to give us the best summer ever!

Shabbat Shalom, **Morah Gila**, program director

### CAMPERS CONTRIBUTE

### D'VAR TORAH

The Jews were sinning, hard to understand,  
Yet Pinchas stood up, with a spear in his hand.  
He went to Zimri, head of Shevet Shimon,  
And killed him, with Cozbi, before more harm was done.

In response to his actions, Hashem then stated,  
Shalom, (peace) is his blessing, for he could have waited,  
But he acted immediately and therefore he,  
Would become a Kohein and Eliyahu Hanavi.

Though Pinchas' actions may not seem so peaceful!  
And they could be found hard to grasp by some people.  
What did Pinchas know, that perhaps we do not?  
If we listen to Pinchas, we can learn quite a lot!

When figuring out what to do or how to speak,  
Our compass must be... What does Hashem want of me?  
It may be unpleasant or make others raise brows,  
The right thing- doesn't always- make others say "Wow!"

Yet if the Torah's our guide and we follow its truth,  
Even if it looks funny, we have nothing to lose!  
We are proud! Head up high- for all people to see!  
I follow Hashem! ....and He is proud of me!

Shabbat Shalom!

## GIRLS CAMP

CAMP REGESH!! Can you believe week 4 is already over??

We started the week with an incredible Bubble Show that had everyone amazed from start to finish!!! The performer wowed us with all kinds of bubble tricks: huge bubbles, tiny bubbles, and even bubbles inside of bubbles! The excitement built as bubbles floated through the air in different shapes and colors, some even filled with smoke or spinning in mid-air!!! One of the most unforgettable parts of the show was when kids got to step inside giant bubbles! Wow! It was like something out of a dream!!

Our next show really knocked it out of the park! The Extreme Magic of Eric Wilzig is nothing short of enchanting!!! The girls were on the edge of their seats from the moment the magician stepped on stage! The show began with a series of mind-blowing tricks! Campers gasped as the magician guessed names, numbers, and even bank account PIN numbers without a single hint (don't worry—he promised not to use them!!!). The levitation trick has us astonished and the grand finale with the magician's assistant being cut up in the box was simply jaw-dropping !!This was truly a show to remember!!

Threes, Fours, Fives and Rakefet had an intense week with Battle of the Bunks on Wednesday!!! Camp Regesh was a sea of colors as every bunk showed up sporting their own bunks color! Bunks came up with original, unique songs, dances and dazzling posters. Some bunks even incorporated gymnastics routines into their performance!!! Every bunk did a spectacular job and won honorable mentions in a variety of categories. We were blown away by the amount of effort and enthusiasm displayed!!! Awesome job Camp Regesh!!!

Our Ones had the best time on Thursday at Billy Beez!! Balloon blasters! Multi-colored slides! Climbing arenas! Our Ones showed us their energy, climbing skills and more as they bounced, slid and jumped all over the giant gym arena. The Ones truly have the most fun!

In sports news, our first session of incredible leagues has come to a close. Our teams have been competing in all different sports like basketball, dodgeball, kickball, soccer, and hockey. Our finals this week were some of the most competitive and exciting games in Regesh history! Congrats to the Dolphins from the 3s and the Celtics from the 4s, 5s, and Rakefet division for winning in the championships. Looking forward to second half, new session of leagues, Summer 2025!

Friday had us enjoying a delicious roadside snack of yummy smores! As always, we ended off the week with a special Shabbos choir by bunk 3A and 3B- you guys did an incredible job!!

Get ready for next week as we welcome the second half of the summer!! Week 5 will welcome Ned! Bunk Pictures! The most amazing Dr. Shnitzel! And for the very first time... LEGO DAY! Get ready for more Regesh AWESOMENESS!!

Shabbat Shalom! **Chaya Aidy Liff**, program director

## BOYS CAMP

Welcome back to WREM News! I'm your host Farfel Briedman reporting on what was one of the craziest weeks in Camp Regesh History! Coming off the high of an explosive Week 3 featuring trips, Sports Day, Candy Craze, (That was delicious cotton candy by the way) the Glo-neg and much, much, more the calendar looked nice and calm for this week... but no... those people at Regesh just can't sit still for a moment!

Monday featured a choir competition at lunch and the beginnings of League Playoffs! On Tuesday, as League Playoffs progressed, we built the "impossible deli sandwich" at Talkative Tuesday... but that was all

in preparation for ... Eric Wilzig! To say he brought down the house would be an understatement of epic proportions. Campers and Staff sat open mouthed, holding their heads and laughing in shock as Eric did the impossible! Guessing pin codes, hypnotism, shooting a dart through a ring into the right envelope, having his assistant disappear, and more. It was Mind Boggling Magic!

But... there was no sign of World Cup Breakout... which many campers had a feeling was coming after Monday's multiple fakeouts... nothing. Nothing at all. As everyone left the gym, a scream pierced the air... Shua was on the zipline... and there was no ladder in sight! The entire camp quickly gathered, trying valiantly to get him down, with piggyback rides and ropes, but to no avail. When he finally (to some campers' chagrin :) ) came down, he exclaimed "World Cup Breakout!" (Lots of campers "knew it" all along....)

Wednesday and Thursday brought one of the Craziest World Cups we have ever seen! Teams Iceland Blue and Greenland Red battled hard for the win! Songs, skits, cheering, Lake Races, Field Races, Crazy Lunch Challenges (with oversized granny pants), Staff Basketball, Super Dodgeball, Super Basketball, Newcomb Survival, Roof Baseball, Gaga Survival, Learning Points, Romeim Torah Bowl, And... so, so, so, so, much more... all culminating in the camp wide game of Soccer, the World Cup itself! And the winner is..... Iceland Blue!!!!!!

But wait! (of course) there's more! On Friday we had a New Niggun Oneg where we learned the song the Holiest Yid in the World and heard some cool stories. We held our Trophy Ceremony for our Leagues Champions! In the Romeim Division, Naftali and JJ's Bnei Brak Babka beat Al's Beer Sheva Tomohawks for the Championship! As of this report, the Intermediate results are still not in... and the winner is... And... in the Yuds and Chufs Kedem's KitKats beat Oliver's Oodles in a show stopping game of Newcomb!

And now for next week's forecast: Exciting with a chance of bedlam! On Monday... It's the return of Ned!!! The Romeim Hike on Tuesday, Season Two of Leagues! A Regesh Exclusive first time ever... Lego Day! And the return of.... Dr. Shnitzel! Hold on to your hats! Second half is gonna be incredible lyH! The summer is just heating up! Shabbat Shalom from us here at WREM news. Fenny Briedman, Over and out, 10/4.

Shabbat Shalom, **Rabbi Moshe Auslander**, program director
