

PRESCHOOL CORNER

Another fantastic week flew by in Camp Regesh Preschool! We cannot believe we finished week 6 already! How quickly time flies when you are having fun! We had a fabulous action-packed week! Campers had a great time zipping on the ZIPLINE, riding SCOOTERS, and BOATING in our beautiful lake. Preschoolers really get to show off their creativity as they create sculptures by SANDPLAY and enjoy cooling off at the Regesh BEACH. Passing through the Regesh waterfront you will find smiling campers jumping, splashing and SWIMMING in our three sparkling pools! DANCING and playing music games with our bunks at music and movement is always fun and we love singing and dancing to the Regesh Preschool song! COOK 'N BAKE has us asking for more yummy treats! This week we enjoyed delicious milkshakes topped with cotton candy whipped cream! The Camp Regesh garden is in full bloom and campers are enjoying our VEGGIE PICKING activity! It is so amazing to see the camper's thrill in picking and eating the fresh vegetables, only at Camp Regesh! In ART we love using our own creativity to design beautiful and fun projects and at SPORTS campers are really advancing and perfecting their skills. ISRAEL DAY is a favorite in the Camp Regesh Preschool! This year we launched a meaningful campaign raising money for UNITED HATZOLAH. Regesh Preschool has already raised enough for 9 oxygen tanks are hopeful the tzedaka we give will be a zchut for all of Am Yisrael.

To beat the heat on Wednesday we had our annual WATER RACES! What a fun way to cool down and show middot tovot and achdut as we cheer for our bunkmates! In the spirit of the nine days we watched the SMALL WONDER JEWISH PUPPETS.

CARNIVAL DAY is another awesome day in Regesh! The excitement was in the air as campers entered the gym for a wonderful carnival of fun booths! Snow Cones! Face Painting! And a huge Moon Bounce! Wow!

We just can't wait to see what's in store for week 7! A Monkey Show! And much more Regesh Fun!

REGESH REVIEW 2025

D'VAR TORAH

This week we begin, Chumash number five, The words Moshe said, the last five weeks of his life. Devarim, or "words"- that are usually tough, Is an interesting description of Moshe's parting words of love.

The truth is, says Rashi, they were tough words of rebuke, And the name Devarim certainly isn't a fluke- Yet Moshe spoke these words, that had to be said, respectfully, in gentle hints, to the Jews that he led.

When speaking to friends or to our Mom or Dad, We must speak in a way that makes nobody sad. Even when must say something that isn't so sweet, We must think if our words will be gently received.

As Tisha B'av approaches, we painfully recall, The sin that made our Beit Hamikdash fall. Sinat Chinam, simply, not being nice, The Bayit fell once, this made it fall twice.

We don't look the same, we're all different from each other, But remember each Jew is our sister or brother. Careful speech and of course, Loshon Hora; Out! will bring us much closer to the Yerushalayim, we've been dreaming about.

Shabbat Shalom!

spotlight on a SPECIALTY

Welcome to the sparkling Regesh Lake!! Whether it's kayaks, rowboats, or our newly added, one of a kind twelve-seater raft, campers love steering under the sprinklers and racing their friends across the lake. On the beach, campers play with beach toys, building sandcastles, digging trenches and burying their feet (and each other!) in the soft sand. Sandcastle competitions, mini volcanoes and sand pathways, are just some of what our campers enjoy creating on the beach!! Thank you to our Lakefront lifeguards Rivki, Gila, Meira, Ahuva (girls & preschool) Eitan, Yitzi, and Mechi (boys camp) for this all-time favorite Regesh activity.

GIRLS CAMP

Woa!!! Is week 6 already over?? This summer is just flying by in the most AWESOME way ever!! From boating to archery, insane candy milkshakes at Cook n Bake! Live Battleship at pioneering, insane sports... the list goes on and on... ONLY IN CAMP REGESH!!!!

Israel day had us feeling so proud to be a part of Am Yisroel. Decked out in blue and white, we started the day with decorating a delicious snack of graham crackers- Israeli Flag Style! Later in the day, we had the opportunity to hear from a real volunteer of United Hatzola! Gavi shared with us what it means to save a life and some of the ways that he gets to take part in the Chessed on a regular basis. Our campers made us proud by writing and decorating meaningful cards to the hero's who volunteer at United Halzala. Campers had the opportunity to see a real ambucycle and received some cool swag. Camp Regesh is proud to participate in the United Hatzalah's fundraising campaign to raise money for oxygen tanks to service their needs. Baruch Hashem, each bunk in Girls camp has already raised enough money for an oxygen tank- that's 25 oxygen tanks!!

What is Rakefet up to!? Have you seen the most amazing looking trays that they brought home? Our oldest campers were treated to an awesome resin special activity where they used their creativity and artistic ability to create stunning trays and candle holders- we hope you enjoy these magnificent masterpieces!

On Wednesday, the spirit of the 9 days was brought home as our ones and twos enjoyed the amazing SMALL WONDER JEWISH PUPPETS! The puppeteers had all our campers spellbound with their captivating and endearing characters. Our campers were all smiles as they laughed, sang and chanted along with the characters in the show. They learned some important lessons relating to Ahavat Yisroel and watched incredible stories unfold.

Thursday brought the event we had all been waiting for... THE RAKEFET CARNIVAL- and what a carnival it was!! The gym was decorated beautifully, our Rakefet girls got in the spirit with beautiful and creative signs and each booth was designed with thought and creativity. Fluff and chips, guess the flavor jelly bean, face paint, bracelet making, ring toss... and many more awesome booths!!! Every camper also had a chance to bounce on our giant moonwalk and enjoyed a delicious snow cone, the perfect refreshing ending to a hot day!

This Friday, our Regesh was treated to a fabulous performance by our 3s campers. Each bunk showcased another important Middah that we can all learn from. The campers all outdid themselves and did an incredible job!! We are so proud!

BOYS CAMP

Farfel Briedman here for our weekly roundup! It's the 9 days, and along with a high flying, super exciting week, the feeling of yearning for Yerushalayim was keenly felt.

Monday featured bunks getting back into the swing- leagues, specialties and more! On Musical Monday there was a singing competition at lunch- what super talented campers! The Romeim division had quite the week as well- kicking off with their "Grillmasters" pizza edition! The judges were wowed by the creative pizza, pizza rolls, pizza hamentashen(!) and MORE created by the boys. Tuesday kicked off our Hatzol-a-thon! Gavi, a real-life United Hatzola hero, demonstrated many safety maneuvers used to save lives, and of course the Ambu-Cycle! This one-of-a-kind Ambulance/Motorcycle hybrid allows United Hatzola volunteers to reach an emergency in 90 seconds or less. Keep up the collecting! We're making a big difference having raised enough money for 29 oxygen tanks in Boys Camp!!!! At lunch we held our talkative Tuesday competition completely in Hebrew- over some fresh falafel and chummus!

Wednesday brought my favorite Regesh show- Small Wonder Jewish Puppets! In fact, my cousin Fraffy had the lead role this year- and I'm nothing but proud! Romeim was back with their Survivor Day- an old Regesh classic- great job by the green crocodiles who inches by the red cheetahs for the win! Speaking of Romeim, the boys gave it back on Thursday with an awesome carnival! Sno-cones, ring toss, target practice and a whole slew of wonderful carnival booths - good times! Trivia Thursday featured Yerushalayim Trivia- which kings ruled without a Beit Hamikdash? What is served at Halo Teiman? Who named Yerushalayim? And more!

On Friday we experienced our Cantata, entitled the Longest Pesach, named after the famous story tape- which told the story of the famous Nodeh B'Yehudah who thwarted an evil plot to destroy the Jewish Community of Prague! We learned about the power of a "small" chesed and the importance of listening to our Rabbis and parents.

Looking forward to seeing everyone next week for more wild Regesh excitement, Al the Gameshow Guy, The Soul Farm Oneg! and much more! in Yerushalayim!
