

## PRESCHOOL CORNER

What a fun-filled week we had! Week just 7 flew by!! On Monday, our preschool campers enjoyed our very own MONKEY SHOW! The man with the yellow hat introduced us to his monkey Poochy. Poochy did some really amazing tricks and had us giggling throughout the show. Have you ever seen a monkey give tzedaka and catch a tennis ball?!? Kudos to our brave camper and counselor volunteers. Campers and counselors were super energized for an amazing COLOR DAY on Tuesday! We felt the excitement as we watched all our campers walk off the bus on Tuesday! We had campers decked out in blue, orange, yellow, green and red - face paint, tutus and hair spray galore! The team spirit was palpable and trademark Regesh Ruach made Color Day so much fun! Our Ps had a great time stringing colorful bracelets, while our Ks answered trivia questions to string their colorful fruit loop bracelets! Campers are having a great time at all our super amazing spectacular activities! We love VEGGIE PICKING in the Regesh garden and enjoying delicious, tomatoes, peppers, eggplants, and string beans. This week in STEM we had fun making and playing with our very own SLIME! We made the cutest Rosh Hashana themed I SPY jars in ARTS & CRAFTS! An all-time favorite - COOK & BAKE had us crushing ice for refreshing snow cones! What a yummy way to cool off in the summer sun! Excitement is in the air as campers line up for HORSE BACK RIDING! The PETTING ZOO animals we have on campus are such a kid-friendly Regesh favorite! Our SCOOTER track is always busy with campers whizzing by on their scooters! And, of course, CHINUCH with Morah Rivkie is a wonderful weekly opportunity where campers learn all about the Parsha and middot tovot we are all striving towards.

Friday had us singing and dancing to our favorite Shabbos songs and we wrapped up another great week at Camp Regesh Preschool!

Looking forward to what's coming up next week - ON-SITE WATER PARK!, MORDY SHAP CONCERT!, and FAREWELL BANQUET! ONLY AT CAMP REGESH! Shabbat Shalom, **Morah Gila**, program director

### D'VAR TORAH

The week after Tisha B'av every year without fail, We read Va'etchanan where we are regaled, With the Second Luchot- the Commandments, all ten. Why does Hashem choose this Parsha, to read them again?

This past Sunday, we all sat on the ground, Mourning in all Jewish shuls could be found.

Tisha B'av, sad, a day when we yearn, Fasting and crying- unable to learn.

Often, we find ourselves in a similar way, We're sad, we've slipped up or we've made a mistake. However, a sin, a mistake, or a fall Is not the end, nope, not the end at all!

Hashem is now showing, even when you are down, If you're in a bad mood and you're now on the ground, You can always get up again, receive the Torah anew, It's never too late to find the real you.

The first Luchot were shattered, at the Golden Calf's sin, The second set, shows a Jew, always has a way in. It's never too late, no matter how down we may be. Hashem's always with us, with you and with me.

Shabbat Shalom!

### spotlight on a SPECIALTY

Old McRegesh has a FARM!! At Camp Regesh, we bring the Zoo to YOU! Meet our friendly horses, Charlie, Giddy and even a kid sized mini horse named Minnie, who take campers on a scenic horseback ride through our beautiful woods! Nachshon, our ball python, is disputably the most popular reptile on campus. Campers can't get enough of Carl, our bearded dragon, geckos Ben and Jerry, and the cuddly bunnies, Ipsy, Diptsy, Criptzy and baby Genendell!! Some friendly goats and alpacas round up the team. Campers are ever eager to feed the animals and play with them! Thank you, Mr. Rosenberg, Yonatan and crew, for this exotic, one-of-a-kind experience!!!

## GIRLS CAMP

What a jam-packed, action-filled week it's been! Week seven blew us out of the park from Al the Game Show Guy, Nickelodeon and of course Color War 2025....woa!!!!

When Menachem came to visit girls camp at dismissal on Tuesday, we thought it was simply a reminder to keep Regesh buses cleanliness up to par. But when he started showing us the insane garbage that the drivers had collected.... It was COLOR WAR BREAKOUT!!

Camp Regesh got right in the spirit with cheering competition and intense energy! Our captains, Miriam, Kayla and Emma from Team Chanukah and Ahuva, Aviva and Devorah from team Purim, led the way with enthusiasm and true leadership- from cup towers to sports games, giant pants competition and swim- you truly led the pack! Songdance, cheering, relay races, game show, hunts... now THAT'S how you do color war REGESH STYLE!!

Al the Game Show guy returned to camp on Tuesday with his thrilling GAME SHOW! Campers tested their global knowledge with challenging questions. Hula hoop competitions and Simon Says had campers at the edge of their seats for the winners!! The grand finale tug of war was intense, with both campers and counselors having a turn to prove their physical prowess. Wow! What a show!!!

On Thursday, our 4s, 5s and Rakefet campers had the ultimate day at Nickelodeon Theme Park! From swings to spooky houses and braving those roller coasters, the excitement didn't stop! Our girls ran from ride to ride, having a blast on all of the attractions! They also fueled up on some delicious snacks along the way. Nickelodeon had something for everyone- what an AWESOME DAY!

Friday- CAR WASH EXTREME!!! What do you get when you combine soap, bubbles, car markers and sponges??? The most awesome car wash activity ever!!! Campers had a blast decorating their own "car" and then scrubbing them clean while getting soaked along the way! These cars are ready to get on the road!

We ended off the week with an adorable Shabbos choir by bunks 3C and 3E and a delicious Shabbos treat of refreshing Dippin Dots!! Cookie Dough! Cookies 'n Cream! Cotton Candy! Rainbow Ice! Yum!!!

I can't believe this... is next week our last week already?? The summer has really flown by!! But don't worry... we saved the best for last! Coming up next week- Regesh makes a splash with our ON-SITE WATER PARK! Staff night! MORDECHAI SHAPIRO CONCERT!!!

And our farewell banquet! Regesh Girls, one more INCREDIBLE week to go!!!

Shabbat Shalom! **Chaya Aidy Liff**, program director

## BOYS CAMP

WOW! Farfel Briedman here with a weekly roundup that will blow your mind! Nachamu Nuts-ness! Um... whatever!

Musical Monday brought an epic Rabbi A vs. Shua Showdown... that may have still been going on had lunch not ended with a strange text from Mr. Rosenberg, the horse guy... It seems he brought an alligator to camp... and it disappeared! A few minutes later the alligator was sighted in the woods, and following protocol, the entire boys camp zigzagged to the gym. With the gym doors tightly shut, the boys started a dance competition... but under the table was... the alligator! COLOR WAR BREAKOUT! (The alligator was fake, by the way- for all those wondering.) Camp Regesh exploded into one of the most intense, exciting, and high stakes color wars ever! Pitting Cousins Era Markowitz and Elisha Berkowitz against each other along with their lieutenants, Ari and Mordy and Liaisons, Kedem and Max- it was on fire right from the start! Intense field races, roof baseball, newcomb survival, steal the salami, super basketball, super dodgeball, single pitch kickball, staff basketball and more- the Teams of Chanukah Red and Purim Blue battled it out! Al the Gameshow guy kicked things off with his TV Game- Show- the energy in the gym was off the charts- Timmy Start the Clock! On Day two, both teams performed their Junior Cheers and Jests, and their teams' Hebrew Songs! Both teams also showed off their Purim and Chanukah prowess in the Theme Trivia Challenge! Impressive! On Day three, after a wonderful staff granny pants game, both teams presented their Theme Songs, Banners and Staff Skits! Critics say these skits were the greatest skits since the days of the Twins from Monsey. Once the Alma Maters were sung, it was time to wait for the results. After an announcement that seemed like it may never end... the winner is the team of...PURIM BLUE!

But the week was far from over! On Friday the boys danced up a storm with World Renowned Music Group: Soulfarm! They brought the house down in the Regesh Nachamu Oneg! Complete with special Nachamu Shabbos prizes- that's the way to prep for Shabbos!

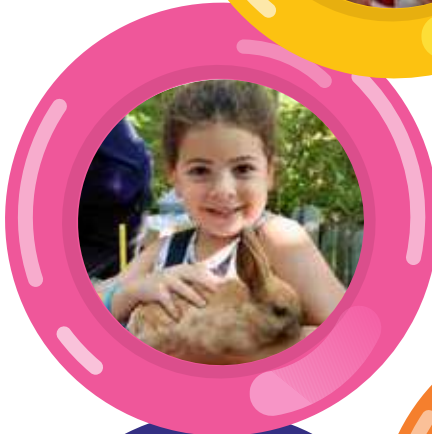

And it's on to next week's forecast! It's the last week of camp, but we don't slow down in Camp Regesh! Stay tuned for our On-Site Waterpark, Leagues Championships, BBQ Farewell banquet... End of the Year Video and the Return of MORDECHAI SHAPIRO!!!!!!!!!!!!!! And of course, a whole lot of surprises! Thank You Hashem for the greatest summer ever! Now I know why it's so hard to say goodbye....

Shabbat Shalom, **Rabbi Moshe Auslander**, program director
