REGESH REVIEW 2026

D'VAR TORAH

As Moshe continues to speak to the Jews,
He describes how to grow, and he gives us some clues.
He implores us, keep "*this* Mitzva; "HaMitzva Hazot"
Then says "Walk in *all* Hashem's ways"- how can we keep both?

How do we light a fire - burning strong in our hearts?
We should break down the work into much smaller parts!
My goal for today is simply just one,
But my goal for the future? Until the whole battle is won!

If our goal all along was to grow for growth's sake,
Even without support, we'll have what it takes!
We'll keep on going, regardless of who-
May be watching, or what they want us to do!

This is how we will walk in ALL Hashem's ways,
Taking steps, goals in mind, each and every day.

Shabat Shalom
