REGESH REVIEW 2026

Dear Regesh Family,

*We can't believe it's time to say goodbye! Looking back at our 38th summer, our most **INCREDIBLE** season ever, we are filled with an overwhelming feeling of hakarat hatov to Hashem for enabling us to give every camper, **"that special feeling of summer".***

*Thank you to our devoted Regesh **PARENTS** for trusting us with your precious children. It has been our absolute pleasure and privilege to fill their summer with laughter, growth, and truly wholesome fun, all against the backdrop of our beautiful 19-acre sleep-at-home campus.*

*To our one-in-a-million **STAFF-** you don't just work at Regesh, you **LIVE** Regesh! Every minute of your day is charged with your mission to gift each camper with the most amazing summer possible. We cannot thank you enough.*

*And finally, thank you to our dear **CAMPERS** for being the heart of the Camp Regesh Family! You came to camp each day with your excitement, energy, and readiness to participate and have **FUN**! Your smiles lit up every corner of camp, and your shining middot tovot made Regesh the warm and happy place that it is. You are what makes Camp Regesh so special.*

We hope the memories we've created together this summer will carry you all through the year. May Hashem fill the year ahead with bracha, good health, and peace for all of Am Yisrael, and especially for our dear brothers and sisters in Eretz Yisrael.

We can't wait to welcome you back for Camp Regesh 2027... b'Yerushalayim hab'nuya!

With heartfelt appreciation and love,
Rabbi Michael and Rena Fink

Best Summer Ever!!!

It's a Regesh Beach Bonanza!!

Towel, lotion, salty breeze
Flip flops, cooler, swaying palm trees
Swim a little (splash splash splash)
Dive right in
Regesh girls
The fun begins
Come catch a wave
Build castles of sand
Our summer is here
Where dreams can expand
Tides roll in
The fun rolls out
Surfing together
Let's hear you shout

Yeah, I'm a Regesh girl
It's Regesh Beach Bonanza
Every day's a sun extravaganza
Beach is where we're heading
Summer vibes are spreading
This is where I wanna be
So feel your heart swell
We sell seashells at the seashore
Friendships, take pics
You and I together
Nothing interrupting
Regesh sunny weather
No place else I'd rather be

Blue skies, sunrise, love it here
Camped out, shout out
It's in the air
Sun-kissed, feel that Regesh glow
Beach balls, floaties, sandy toes
Seagulls above, we're floating on air
Camp that we love, the action's right here
Side by side
With Regesh pride
Our beach awaits, come take the ride

He said Chevra, "A question for you,
What's the holiest time, and the holiest place,
and who is the holiest Jew?"
They said it's the Kohein Gadol on Yom Kippur,
in the Kodesh Kodoshim
Reb Mendel smiled and said, That's not the place,
that's not when and that's not him!
Because the Holiest Yid in the World is You!
And the Holiest place in the world is where Hashem put you!
and the holiest time in the world, yes the holiest time in the world, the holiest time in the world's right now!

Camp Regesh Song

It's an early summer morning,
I'm driving with my son,
"Oh Daddy can you answer me,
Are you sure that I'll have fun?"
I'm silent as I turn,
Down a road called Cherry Lane
And the memories forever will remain
All the summers that were spent here,
They meant so much to me,
"Oh son I'm sure that you'll have fun
Just you wait and see"
All the good friends that I've made
And the good times that we've shared
As I look back, I can't help but shed a tear
I remember every moment,
Every feeling, every face,
As I look back at the summer,
All the Ruach still remains.
Oh Regesh stay forever,
In my heart you'll never die,
Now I know why it's so hard to say goodbye
So just listen here my son,
Now I'll leave you for the day,
And, as he steps outside the car,
I start to pull away.
I'm silent as I turn,
Up a road called Cherry Lane,
And the memories forever still remain.
I remember every moment,
Every feeling, every face,
As I look back at the summer,
All the Ruach still remains.
Oh Regesh stay forever,
In my heart you'll never die,
Now I know why it's so hard to say goodbye!
